Voice Activated (VOX) and it Vibrates!!

It Has "Restaurants" Written All Over It

Motorola CLS Professional Two-Way Radio

Now you can turn the tables on restaurant productivity with the simple features, palm-size design, and immediate communication capabilities of the new Motorola CLS radio. In fact, it'll help you seat people faster, clear tables faster, and turn your restaurant into a well-oiled machine, no matter what kind of food you serve. And, best of all, the Motorola CLS radio is an affordable business tool with **"NO MONTHLY FEES OR SERVICE CONTRACT"**. And includes a 1 year **"REPLACEMENT"** Warranty.
